

Lifetime Achievement Award for Honoring a Leader 2024

Frank Bagatto
Windsor, Ontario

Frank Bagatto has dedicated most of his life both professionally and personally to furthering the mission of Catholic health at the provincial and national level. Frank is a passionate and inspirational leader, who has served in many capacities over the span of his career, beginning with his first job as an orderly and oxygen porter at Hotel Dieu Hospital in Windsor. From there, his interest grew, and he decided to pursue a career in hospital administration.

In a letter of support of Frank's nomination:

"I have experienced and witnessed first-

hand the immeasurable and positive impact Frank has had on our healthcare and hospital system. He has been a tremendous leader, mentor and guide for hospital and healthcare services in our community for decades. He has demonstrated an unwavering commitment to Ministry and Servant Leadership in many different capacities whether it was in the role of a frontline worker in healthcare or as the President and CEO of our hospital."
